**Quebec City, Canada**

This is IMI's 12th Anniversary of hosting the Global Markets Forum in Quebec City, Canada, to be held at the historic Le Chateau Frontenac during Quebec's Annual Summer Festival.

Each year IMI attracts prominent Pension Funds, Endowments & Foundations and Consultants from the US and Canada. This educational Forum will cover issues pertinent to these funds in this current global economic environment. A limited number of money managers are invited to attend as sponsors along with 25-30 US and Canadian Funds.

All expenses for the Funds are covered except travel to this event including hotel, room, meals, conference expenses, recreation and entertainment. Spouses and guests are welcome for a nominal fee.

Sponsoring firms can send up to three people and their speaker is able to showcase their firm's investment philosophy through their presentation of a topic. You will also get a table on which to display marketing materials.

Please contact Senior Managing Director Linda Gunneson to explore sponsorship opportunities, at 203-622-5851; [lGunnison@imi-ct.com](mailto:lGunnison@imi-ct.com).
